About me

I am a student in my first year of master in graphic design at Ésad Amiens, France. I am applying to this course to discover new ways of working with the archives from a graphic designer's perspective. Having already been an Erasmus exchange student, I also am really excited about meeting new people from all over the world!

Experiences

February 2023 : Taught English to high school students in Amiens, employed by the Town Hall.

February-June 2022 : Erasmus exchange in Venice at IUAV Venezia.

July 2019 : Summer short courses at UAL London, Central Saint Martins.

2016 and 2018 : week-long internships at the Comédie Française theater and Dior.

Spoken languages

French : Native

English : C1, passed the IELTS test in 2019 with a 7/9 score.

Italian : A2-B1

Personnal interests

2013-2020 : drama, choir and musical theater in clubs and at school.

I like to visit museums and go to the theater.

I knit during all my spare time, mostly sweaters.

I love to edit videos to remember trips I went on with my friends and family.

Education

2023-now : Ésad Amiens, master in graphic design

2020-2023 : Ésad Amiens, bachelor in graphic graphic design, graduated with honours for commitment.

2017-2020 : Studied applied arts in high school, BAC with honours

Academic projects

October 2022 : «Greetings from Erasmus » group exhibition at Ésad Amiens. All students who went on a foreign exchange showed the result of their experience. Organisation and installation in full autonomy.

March 2022 : Works exhibited at the « Statues modèles, une histoire de l'enseignement artistique à Amiens » at the Musée de Picardie in Amiens.

November 2021 : Participation in the hackaton « Challenge Léonard » on entrepreneurship in culture in the Hauts-de-France region.

Softwares skills
